

Programs for Grades 5-8

All programs and resources marked with a  are AITC-M initiatives.

Découvrez nos programmes et ressources en français: 

Discover **200+ English** and **70 French** Manitoba curriculum-linked resources in our Resource Library, including many ready-to-use instant downloads to make planning easy!

AgVenture at Manitoba Ag Days

Learn all about agriculture while exploring the diverse range of career opportunities at a career fair like no other!

Grades 7-8

Amazing Agriculture Adventure

Bring your class to the farm! A full-day adventure into agriculture with live animals and interactive stations, just south of Winnipeg.

Grades 5-8

Follow the Farmers

Connect students with Manitoba farmers through virtual field trips, exploring modern farm practices and the journey of food from farm to table.

Grades 5-6

Professional Development

Join us for engaging professional development sessions packed with fun, hands-on ways to bring agricultural literacy to life in your classroom!

Teachers

Great Canadian Farm Tour

Take a bilingual virtual tour of farms across Canada to learn about agricultural practices and the importance of farming.

Grades 5-8

Little Green Thumbs

Bring learning to life with a two-tier garden that grows year-round. Students grow vegetables while exploring agriculture and healthy eating.

Grades 5-8

Become an Ag Literacy Champion!
